PAUL

Dear Mrs Mason,

Paul seems to have settled down well & be happy.

I do hope you got Paul's first letter & were not worried about him. The address I had from the office was the Edmonton one, & I only learnt of the Heston one today.

Funnily enough, I know Edmonton well as I used to teach there.

Yours sincerely,

I. E. Jones (Teacher)

P.S. I am sending this today in another envelope as Paul still has his addressed ones at St. George's.
